

Pride Litestream Folding Carbon Fibre Power Wheelchair

Effortless, Lightweight and Foldable Travel Companion. With carbon fibre technology, the Litestream® Carbon Power Wheelchair is a great travel companion. In just a few quick steps, the Litestream® Carbon folds down, making it a super lightweight effortless option to take when travelling in planes, trains and cars. It's a convenient mobility solution with the ability to fold and go.

- Conveniently folds down for transportation.
- Lightweight carbon fibre frame
- Comes with integrated lithium battery backup, [watch our battery maintenance video here.](#)
- Under seat storage
- Turning radius 120 cm
- Joystick controller
- 15 km Range per Charge (varies with user weight, terrain type, battery amp hour (AH), battery charge, battery condition and tyre condition.)
